CUPRA BUSINESS

TAILOR MADE FOR NEW ZEALAND BUSINESSES.

There are so many ways a CUPRA can work for you.
Here are seven reasons why the CUPRA business case stacks up.

1

They're seriously fun to drive – CUPRA has performance in its DNA, delivering a thrilling driving experience in every vehicle. So emotion comes standard.

2

And seriously stylish too – The stunning European design of the CUPRA range stands out and turns heads (And will make a great moving billboard for a company).

3

When it comes to options CUPRA means business – Across the range there are plenty of sizes to suit your needs. And that includes cost-effective Hybrid and EV options to help with your journey to sustainability.

4

You'll drive away in so much more for less – There's so much packed into a CUPRA, but our range is responsibly priced. Plus when you purchase or lease more than one CUPRA for your business, you'll get a fleet discount too, only adding to the incredible value.

5

Whether you lease or purchase, the future's assured – Lease a CUPRA and you'll have maintenance options to ensure trouble-free motoring for the length of your term. Or purchase with CUPRA Choice to guarantee the future resale value.

6

CUPRA is part of the Giltrap Group and Volkswagen Group – So you'll have comprehensive after sales care nationwide and you'll be fully supported by experts across your entire CUPRA journey.
